McClure Solicitors provides free Wills for Charity.

Why do I need a Will?

You already know that every adult should have a Will. Without a Will the law decides who inherits. With a Will you decide. With no Will it will usually take longer and cost more to wind up your estate.

Why should I do it now?

None of us knows what is around the corner. If you leave it until you need it, it will be too late. So let's get it done.

Why should I use McClure?

There are three good reasons:

- 1** They have been preparing Wills since 1853 so they are good at it. They prepare thousands per annum. So you are in good hands.
- 2** A standard Will only states who is to benefit when you die. Their "Estate Planning Wills" ensure that your estate finishes up where you want it. Quite a difference.
- 3** At present McClure will prepare your Will free of charge. Just consider a donation. So now you can support the Charity and get a good deal.
