

Free Will Review

Safe. Secure. McClure.

In partnership with

At present McClure Solicitors will review your Will free of charge.

McClure Solicitors provides free Will Reviews for Charity.

Why should I have my Will reviewed?

- Research shows that 1 in 4 Wills are defective or of poor quality*
- Your circumstances may have changed
- A Will only directs where your assets go when you die. Not where they will end up. Quite a difference
- Get your Will checked before it's too late.

Why should I do it now?

If you leave it until you die, it will be too late.

Why should I use McClure?

- They prepare thousands of Wills each year
- They see many Wills with errors
- The review is free of charge
- If you need a new Will, that is free of charge as well. Just consider a donation for the Charity.

What McClure can do for you

- They review your Will free of charge
- You don't pay
- The Charity doesn't pay
- Simple as that.

Why do they do it?

- Everyone benefits
- You get a professional second opinion
- You get a new Will – if you need it
- The Charity raises funds
- Over 50% of clients go on to use them for other services.
